Where such changes occur, the SF Committee will make every reasonable effort to provide a substitute equivalent class. This event is comprised of 50 dance workshops, 41 of which are facilitated by Internationally recognized instructors.

If you have collected your Welcome package & writsband you have already checked in and don't need to register again. Registration is only applicable to persons who have not as yet collected their Welcome packages or those who purchased a one day workshop pass and not yet collected their wristband.
